

Partnership – Where to begin: Post Information Session

Within one week of the Information Session, please complete the following 5 tasks: ✓

1) Call your parish priest: **to meet with him to ask for his advice*

- a. Tell him about NET, its mission, and your fundraising goal
- b. Ask his advice on asking the church/specific parishioners for support
- c. Ask him about giving a parish appeal

2) Namestorm a list of 50 names to ask:

- a. High Priority (\$100/month) **confident they will join you in the mission.*
- b. Medium Priority (\$50/month) ** pretty confident they will join, but on a lower scale.*
- c. Low Priority (\$25/month) **not sure if they would join, but asking anyway!*
- d. Decide the best way to make your initial contact with each person on your list!

3) Take a look through the partnership website:

- a. Familiarize yourself with the partnership website:www.netcanada.ca/partnership

- b. Follow the "Sending Partnership to NET Office" document found on the partnership website

5) Create a short bio and send a photo of yourself for our website:
